

Call for Participation

We invite you to join us **12th International Conference on Software Engineering (SOENG 2026)**.

This conference provides a premier international forum for sharing cutting edge research, innovative methodologies, and advanced applications in Software Engineering and its rapidly evolving subfields. As software systems grow in scale, complexity and societal impact, SOENG 2026 aims to bring together leading researchers, practitioners, and industry experts to explore modern software engineering concepts, address emerging challenges, and foster new collaborations across academia and industry.

Highlights of SOENG 2026 includes:

- 12th International Conference on Image Processing and Pattern Recognition (IPPR 2026)
- 13th International Conference on Computer Science and Information Technology (CSIT 2026)
- 14th International Conference of Security, Privacy and Trust Management (SPTM 2026)
- 15th International conference on Parallel, Distributed Computing and Applications (IPDCA 2026)
- 7th International Conference on Advanced Machine Learning (AMLA 2026)
- 12th International Conference on Artificial Intelligence and Soft Computing (AIS 2026)
- 7th International Conference on Natural Language Processing & Applications (NLPA 2026)
- 12th International Conference on Data Mining (DaMi 2026)
- 7th International Conference on Big Data and Applications (BDAP 2026)

RegistrationParticipants

Non-Author / Co-Author /Simple Participants(NoPaper)

100 USD for Online (Without Proceedings)

490 USD for Face to Face (With Proceedings)
