

Call for Participation

We invite you to join us in **14th International Conference of Security, Privacy and Trust Management (SPTM 2026)**.

This conference provides a premier global forum for researchers, practitioners, and industry experts to present the latest innovations, research findings, and emerging trends in security, privacy, and trust technologies. As digital ecosystems continue to expand across cloud platforms, mobile environments, distributed systems, and AI driven infrastructures, the need for robust trust frameworks and secure computing models has never been greater.

SPTM 2026 aims to bring together leading scholars and professionals to exchange ideas, discuss challenges, and explore cutting edge solutions that advance the state of the art in trust management, privacy engineering, cybersecurity, and secure system design. The conference encourages interdisciplinary contributions that bridge theory and practice, highlight real world applications, and address the evolving landscape of modern security threats and trust requirements.

Highlights of SPTM 2026 includes:

- 12th International Conference on Image Processing and Pattern Recognition (IPPR 2026)
- 12th International Conference on Software Engineering (SOENG 2026)
- 13th International Conference on Computer Science and Information Technology (CSIT 2026)
- 15th International conference on Parallel, Distributed Computing and Applications (IPDCA 2026)
- 12th International Conference on Data Mining (DaMi 2026)
- 12th International Conference on Artificial Intelligence and Soft Computing (AIS 2026)
- 7th International Conference on Natural Language Processing & Applications (NLPA 2026)
- 7th International Conference on Advanced Machine Learning (AMLA 2026)
- 7th International Conference on Big Data and Applications (BDAP 2026)

Registration Participants

Non-Author / Co-Author / Simple Participants (No Paper)

100 USD for Online (Without Proceedings)

490 USD for Face to Face (With Proceedings)
